

Federal Trade Commission

§ 1.88

the Environmental Protection Agency's (EPA) Office of Environmental Review (CEQ Regulation (40 CFR 1506.9)) for listing in the weekly FEDERAL REGISTER Notice of draft environmental impact statements, and shall be circulated, in accordance with CEQ Regulations (40 CFR 1502.19, 1506.6) to appropriate federal, state and local agencies.

(d) Forty-five (45) days will be allowed for comment on the draft environmental impact statement, calculated from the date of publication in the EPA's weekly FEDERAL REGISTER list of draft environmental impact statements. The Commission may in its discretion grant such longer period as the complexity of the issues may warrant.

§ 1.85 Final environmental impact statements.

(a) After the close of the comment period, the Bureau responsible for the matter will consider the comments received on the draft environmental impact statement and will put the draft statement into final form in accordance with the requirements of CEQ Regulation (40 CFR 1502.9(b)), attaching the comments received (or summaries if response was exceptionally voluminous).

(b) Upon Bureau approval of the final environmental impact statement the final statement will be

(1) Filed with the EPA;

(2) Forwarded to all parties which commented on the draft environmental impact statement and to other interested parties, if practicable;

(3) Placed in the public record of the proposed rule or guide proceeding or legislative matter to which it pertains;

(4) Distributed in any other way which the Bureau in consultation with CEQ deems appropriate.

(c) In rule and guide proceedings, at least thirty (30) days will be allowed for comment on the final environmental impact statement, calculated from the date of publication in the EPA's weekly FEDERAL REGISTER list of final environmental impact statements. In no event will a final rule or guide be promulgated prior to ninety (90) days after notice of the draft environmental impact statement, except

where emergency action makes such time period impossible.

§ 1.86 Supplemental statements.

Except for proposals for legislation, as provided in CEQ Regulation (40 CFR 1502.9(c)), the Commission shall publish supplements to either draft or final environmental statements if:

(a) The Commission makes substantial changes in the proposed action that are relevant to environmental concerns; or

(b) There are significant new circumstances or information relevant to environmental concerns and bearing on the proposed action and its impacts. In the course of a trade regulation rule proceeding, the supplement will be placed in the rulemaking record.

§ 1.87 NEPA and agency decision-making.

In its final decision on the proposed action or, if appropriate, in its recommendation to Congress, the Commission shall consider all the alternatives in the environmental impact statement and other relevant environmental documents and shall prepare a concise statement which, in accordance with CEQ Regulation §1505.2, shall:

(a) Identify all alternatives considered by the Commission in reaching its decision or recommendation, specifying the alternatives which were considered to be environmentally preferable;

(b) State whether all practicable means to avoid or minimize environmental harm from the alternative selected have been adopted, and if not, why they were not.

§ 1.88 Implementing procedures.

(a) The General Counsel is designated the official responsible for coordinating the Commission's efforts to improve environmental quality. He will provide assistance to the staff in determining when an environmental impact statement is needed and in its preparation.

(b) The Commission will determine finally whether an action complies with NEPA.

(c) The Directors of the Bureaus of Consumer Protection and Competition will supplement these procedures for

§ 1.89

their Bureaus to assure that every proposed rule and guide is reviewed to assess the need for an environmental impact statement and that, where need exists, an environmental impact statement is developed to assure timely consideration of environmental factors.

(d) The General Counsel will establish procedures to assure that every legislative proposal on a matter for which the Commission has primary responsibility is reviewed to assess the need for an environmental impact statement and that, where need exists, and environmental impact statement is developed to assure timely consideration of environmental factors.

(e) Parties seeking information or status reports on environmental impact statements and other elements of the NEPA process, should contact the Assistant General Counsel for Litigation and Environmental Policy.

§ 1.89 Effect on prior actions.

It is the policy of the Commission to apply these procedures to the fullest extent possible to proceedings which are already in progress.

Subpart J—Economic Surveys, Investigations and Reports

§ 1.91 Authority and purpose.

General and special economic surveys, investigations, and reports are made by the Bureau of Economics under the authority of the various laws which the Federal Trade Commission administers. The Commission may in any such survey or investigation invoke any or all of the compulsory processes authorized by law.

Subpart K—Penalties for Violation of Appliance Labeling Rules

SOURCE: 45 FR 67318, Oct. 10, 1980, unless otherwise noted.

§ 1.92 Scope.

The rules in this subpart apply to and govern proceedings for the assessment of civil penalties for the violation of section 332 of the Energy Policy and

16 CFR Ch. I (1–1–10 Edition)

Conservation Act, 42 U.S.C. 6302, and the Commission's Rules on Labeling and Advertising of Consumer Appliances, 16 CFR part 305, promulgated under sections 324 and 326 of the Energy Policy and Conservation Act, 42 U.S.C. 6294 and 6296.

§ 1.93 Notice of proposed penalty.

(a) *Notice.* Before issuing an order assessing a civil penalty under this subpart against any person, the Commission shall provide to such person notice of the proposed penalty. This notice shall:

(1) Inform such person of the opportunity to elect in writing within 30 days of receipt of the notice of proposed penalty to have procedures of § 1.95 (in lieu of those of § 1.94) apply with respect to such assessment; and

(2) Include a copy of a proposed complaint conforming to the provision of § 3.11(b) (1) and (2) of the Commission's Rules of Practice, or a statement of the material facts constituting the alleged violation and the legal basis for the proposed penalty; and

(3) Include the amount of the proposed penalty; and

(4) Include a statement of the procedural rules that the Commission will follow if respondent elects to proceed under § 1.94 unless the Commission chooses to follow subparts B, C, D, E, and F of part 3 of this chapter.

(b) *Election.* Within 30 days of receipt of the notice of proposed penalty, the respondent shall, if it wishes to elect to have the procedures of § 1.95 apply, notify the Commission of the election in writing. The notification, to be filed in accordance with § 4.2 of this chapter, may include any factual or legal reasons for which the proposed assessment order should not issue, should be reduced in amount, or should otherwise be modified.

§ 1.94 Commission proceeding to assess civil penalty.

If the respondent fails to elect to have the procedures of § 1.95 apply, the Commission shall determine whether to issue a complaint and thereby commence an adjudicative proceeding in conformance with section 333(d)(2)(A) of the Energy Policy and Conservation
